LIABILITY PROTECTION - EXTENDED PROTECTION (EP) / SUPPLEMENTAL LIABILITY INSURANCE (SLI)

United States In the United States only, certain Rate Products include EP or SLI. If EP or SLI is not included in the Rate Product, EP or SLI can be purchased at Corporate owned and some licensee renting locations in the United States by all Middle Eastern, African, Australian and New Zealand Renters. At Corporate locations in the United States, EP & SLI provides Renter or any additional authorized drivers with third party liability protection in an amount equal to the minimum financial responsibility limits applicable to the Vehicle (the Primary Protection). EP or SLI also provides additional third party liability protection, through an excess liability policy, with limits of the difference between the Primary Protection and a combined single limit of \$1 million per accident for bodily injury, death and/or property damage to others arising out of the use or operation of the Provider vehicle by Renter or an additional authorized driver, subject to the terms and conditions of the policy. Also 2013 International Terms and Conditions 04dec12.docx3 included in EP and SLI for rentals in the United States (except for EP or SLI when purchased at a licensee location) is uninsured/underinsured ("UM/UIM") coverage for bodily injury and property damage in an amount equal to the minimum financial responsibility limits applicable to the vehicle (the Primary Protection), and additional coverage, through an excess liability policy, with limits for the difference between the statutory minimum underlying limits and \$100,000 per accident (for rentals commencing in New York, UM/UIM limits are \$100,000 per person/\$300,000 per accident; for rentals commencing in Hawaii, the UM/UIM limits are \$1,000,000 combined single limit) or state mandated UM/UIM limit, whichever is greater. PROVIDER AND RENTER REJECT ANY ADDITIONAL UM/UIM COVERAGE TO THE EXTENT PERMITTED BY LAW. EP and SLI, including UM/UIM benefits are provided only when Renter or any additional authorized drivers are driving the Vehicle. No claim for UM/UIM may be made due to the negligence of the driver of the Vehicle. EP and SLI coverage for Vehicles rented in the US is in effect only while another additional authorized driver or renter is driving the vehicle within the United States and Canada; coverage does not apply in Mexico. A benefit summary for EP and SLI is contained within the applicable brochure available at the rental location. Note: Any UM/UIM benefits paid are included in the \$1 million combined single limit SLI coverage and in no way increase the combined single limit amount referenced above. This insurance coverage is underwritten by Ace American Insurance Company. At licensee locations in the United States, EP and SLI provides primary protection for liability claims against the Renter and authorized drivers for injury/death or property damage up to \$1,000,000 USD. EP and SLI are subject to the terms and conditions of the Rental Agreement between the Renter and the applicable Provider. Canada Certain Rate Products include extended liability coverage at locations in Canada. If extended liability coverage is not included in Rate Product it cannot be purchased at renting locations in Canada. At such locations in Canada, extended liability coverage provides Renter and additional authorized drivers with a combined single limit of \$1,000,000 for third party claims that may be made by others against the Renter and additional authorized drivers for bodily injury, death and/or property damage arising out of the use or operation of the Vehicle and subject to the limitations set forth in the applicable Rental Agreement entered into between the applicable Provider and Renter and in the insurance policy which provides coverage.
