Essential information

You can book the lounge up to three hours prior to your flight departure time.

Please note, lounge access is reserved from the time you specified in your booking and your three hour entitlement commences from this time and entry into the lounge before this time is at the discretion of the lounge staff.

Easyjet flights - check-in is 2 hours in advance to the scheduled flight departure. To avoid this and receive the full entitlement in the airport lounge, why not save time and check-in online. This is only suitable providing you do not have any baggage that needs checking in.

Opening times: 4am - 10pm

The lounge has a smart-casual dress code and may refuse entry to customers not wearing suitable clothing. Tailored shorts are allowed, but the lounge suggests you do not wear sports clothing, camouflage patterns, clothing with offensive slogans or that exposes midriffs or shoulders. Hen and stag do themed clothing and fancy dress are not permitted.

Please note, for any bookings made where adults are incorrectly identified as children, the lounge reserves the right to charge the passenger the difference in price upon entry.
