**IMPORTANT INFORMATION
CARNIVAL VISTA
NOVEMBER 16, 2016**

November 14, 2016

Dear Carnival Vista Guest,

We're excited to have you sailing with us on the beautiful Carnival Vista. We wanted to provide you with important information regarding your cruise.

Carnival Vista is experiencing a technical problem with the ship's propulsion system. The problem is only affecting her maximum cruising speed. Unfortunately, we will be forced to cancel our call to Grand Turk. However, we have made special arrangements to replace our call to Grand Turk with a visit to Nassau, The Bahamas.

Below is our revised itinerary:

DAY	PORT	ARRIVE	DEPART
WED	New York, NY		6:00 PM
THU	Fun Day @ Sea		
FRI	Fun Day @ Sea		
SAT	Fun Day @ Sea		
SUN	St. Maarten, NA	8:00 AM	5:00 PM
MON	Fun Day @ Sea		
TUE	Aruba	9:00 AM	6:00 PM
WED	Bonaire	8:00 AM	4:00 PM
THU	Fun Day @ Sea		
FRI	Fun Day @ Sea		
SAT	Nassau, The Bahamas	8:00 AM	5:00 PM
SUN	Miami, FL	6:00 AM	

We sincerely regret this sudden change in plans. Pre-purchased shore excursions for Grand Turk, as well as any difference in government fees and taxes, will be automatically refunded to your onboard Sail & Sign account.

We apologize for any disappointment this may cause and thank you for your understanding.

We're looking forward to welcoming you aboard Carnival Vista for a FUN and memorable cruise vacation. See you soon!

Sincerely,
