Canada Bound Passengers:

New entry requirement is coming into effect from 15 March 2016.

Under Canada's Electronic Travel Authorization (ETA) program, citizens from countries other than the United States (U.S.) who do not need a visa to enter Canada will need to obtain an online authorization before flying to Canada, unless otherwise exempted.

This new entry requirement is not mandatory until March 15, 2016. However, beginning on August 1, 2015, eligible travellers will have the opportunity to go online and apply for their eTA ahead of time.
