

# Carnival

## IMPORTANT NOTICE ITINERARY CHANGE – CARNIVAL GLORY MAY 14, 2016

Greetings Travel Professional,

Although it's still a bit away, we're sure your clients are excited about their cruise next year. So, we'd like to take a moment to provide you some information regarding our itinerary for their sailing on the Carnival Glory.

Due to operational considerations, we have replaced our call to Grand Turk with a visit to beautiful Amber Cove, Dominican Republic. Additionally, we've modified our times in San Juan, Puerto Rico.

We are confident your clients will truly enjoy Amber Cove, our newest Caribbean destination in the making. It encompasses 30 acres of waterfront property with a welcome center featuring dramatic architectural elements that echo the area's storied Colonial and Victorian past. Its cobblestone plazas will be lined with a wide variety of retail offerings, including themed restaurants and bars and a marketplace with locally sourced Dominican crafts and souvenirs, along with an exciting water attraction and a transportation center and taxi hub and will serve as the gateway to one of the world's most beautiful sailing regions.

Below is the revised itinerary:

Day	Port of Call	Arrive	Depart
Sat	Miami, FL		4:00 PM
Sun	Half Moon Cay, The Bahamas	9:00 AM	5:00 PM
Mon	Fun Day @ Sea		
Tue	St. Thomas, USVI	10:00 AM	6:00 PM
Wed	San Juan, Puerto Rico	7:00 AM	4:00 PM
Thu	Amber Cove, Dominican Republic	8:00 AM	4:00 PM
Fri	Fun Day @ Sea		
Sat	Miami, FL	8:00 AM	

Pre-purchased shore excursions for Grand Turk will be automatically refunded to the original form of payment. Please have your clients visit [Carnival.com](http://Carnival.com) so they can get started planning their activities and purchase fun tours for Amber Cove.

We'll need your help in passing this information along. Listed below are the bookings that need to be contacted.

We appreciate your assistance and look forward to having your clients sail with us. Most importantly, we thank you for your continued support.

Sincerely,

Arlene Marichal  
Sr. Director, Solutions and Special Services
