Greetings Travel Professional,

We're sure your clients are very excited about their upcoming cruise on the beautiful Carnival Victory. So, we'd like to provide you some information regarding our embarkation plans for their sailing.

Carnival Victory is undergoing a beautification project to enhance our staterooms. This means check-in for your clients' cruise is now scheduled from 1:30 PM to 4:00 PM. Priority check-in for our Diamond, Platinum, Suites and Faster to the Fun guests will also start at 1:30 PM. Since seating and parking are limited at the cruise terminal, we ask that your clients not arrive for check-in prior to 1:30 PM. For those guests who purchased Carnival transfers, their check-in time will coincide with your transfers and arrival time at the pier.

Also, since we will need a little extra time to load supplies, our departure will be later than normal. Our itinerary will remain as scheduled and we will sail once loading is completed.

We'll need your help in passing this information along. Listed below are the bookings that need to be contacted. We sincerely apologize for this change in plans and thank you for your understanding.

We appreciate your assistance and look forward to having your clients sail with us. Most importantly, we thank you for your continued support.

Sincerely,
