

## POP AND GO! 5 free days of data & International texts

While stocks last, SmartSIM USA cards are included with every Kids Eat Free Card. This handy universal SIM offers five days of unlimited data, international texts and calls to American numbers, whilst holidaying in the US.

Need service for more than five days? Sign up for an extra 5, 10 or 25 days and receive additional discounts of 41% - 58% off the retail price.

### The SmartSIM has so many advantages, **including:**

- SIM chip works with any unlocked GSM device
- All taxes and fees are included, so no hidden charges
- Local US phone number issued for use on date of arrival
- Blazing Fast 4G LTE data
- Connect up to 5 other devices with mobile hotspot service
- Turn by turn sat-nav directions
- Nationwide coverage on the fastest mobile network in America
- Unlimited incoming calls from anywhere in the world
- Unlimited outgoing calls to any mobile or landline in the US
- Text to over 140+ countries

### The SIM card comes in three sizes:

- Standard SIM (15 x 25mm)
- Micro SIM (12 x 15mm)
- Nano SIM (8.8 x 12.3mm)

LAST**

# KIDS EAT FREE

OCEAN  
FLORIDA

With your Kids Eat Free Card, your children can now dine for **FREE** at over 100 restaurants in Orlando, saving you on average \$150 per child per week!

Check out the **Kids Eat Free app** that has a whole host of exciting benefits...  
**Including:**

#### **Real-time access to participating venue profiles and offer details**

Mobile directories are displayed using integrated GPS technology allowing you to know where the closest participating venues are on a real-time basis.

#### **Mapping and turn by turn directions**

Using integrated Google mapping technologies, you now have a customised Sat-Nav specific to the venue you wish to visit.

#### **Social Media**

Using the app you can now share your experiences in real time to your friends on facebook without having open another app.

#### **Saving Calculator**

You can easily track individual savings as you go, meaning you can calculate just how much you're saving after each meal.
