## Benefits Of Hiring A Motorhome....

- **Freedom** – There is no other holiday that gives you this freedom. You can stay in one place for as long or as little time as you fancy. There are no rigid rules like; no set times for breakfast or dinner, no unpacking and re-packing every day, no extortionate costs for the mini bar, the list goes on...
- **Flexibility** – You could choose to follow one of our suggested itineraries, design your own itinerary or just take to the open road and go to where your heart desires
- **Price** – Although hotels may seem relatively cheap when you book in, there are always additional costs like eating out, transport costs. With RV you pay one set price and it literally gives you the home from home feel!
- **Access** – Your motorhome gives you access to all main tourist areas. When visiting place such as Grand Canyon, you are able to overnight within grounds of the park at a minimal cost.
- **Pleasure** - For children travelling in a motor home it is sheer pleasure. There is no cramming into the back seat of a car. Instead they can all sit round the table in the motorhome.

## Need To Know...

- Clients cannot pick up an RV rental on the same day of arrival, therefore they would need an overnight hotel following a transatlantic flight.
- Clients can pick up an RV after 1PM. Should they want to pick up any earlier, they will need to pay an early pick up charge
- Clients must drop the RV off between 9 & 11am. RV Rental locations are closed on Sundays.
- If a client want's to pick up an RV on a weekend, they can only do so on a Saturday, before 3pm. All RV Rental locations are closed on Sundays
- Drivers must be aged over 21 and have a valid UK Driving licence – note that there is no young driver surcharge on RV Rental
- No GPS is provided from any USA Location
- You must advise clients that a security deposit of \$500 by credit card is required. If paying by cash, clients must leave a deposit of \$1000
- Everything is pre-paid before departure, including Generator Usage, State Tax, Personal & Providing Kits & Mileage Charges.

Very important to ask client what they're intending to do on holiday in order to provide suitable mileage.
- Mileage: The charge will be a per night charge based on 100 miles for a local rental and 250 miles for a one-way rental. The rate is 35cents per mile. At the end of the rental you will be refunded for any excess mileage charges or be charged at the rate of 35 cents for additional miles
- The customer is responsible for checking engine oil, fluids and coolant levels at each refuelling – please advise client they will receive more info upon arrival.
- No warranties are made concerning fuel mileage and fuel tank capacity. Cruise America assume no liability for fuel consumption rates. All gasoline and all propane refuelling during the trip are at the customer's expense. Vehicles are provided with 1/4 tank and this initial fuel may be charged for at departure at some rental centres.
