#### **Booking Errata**

The property currently has a new green screen wall along International Drive and the corner of Westwood Boulevard. The wall of screen is to protect any items from travelling out of the construction area and it covers all the exciting work taking place behind the wall. The hotel's new outdoor courtyard build is receiving all of the underground pipe and drainage work. The new ballroom build is almost ready to receive the concrete foundation pour. The new fitness centre is taking shape on the first floor of the tower building.

These exciting construction and expansion projects continue in areas that have no effect on guests. The hotel is committed to keep any such activity from distracting or interfering with accommodations, meeting rooms or other facilities to be used during guests' visits. They continue to work with construction teams to make certain that there is no interference to guests.
