Booking Errata

The property currently has a new green screen wall along International Drive and the corner of Westwood Boulevard. The wall of screen is to protect any items from travelling out of the construction area and it covers all the exciting work taking place behind the wall. The hotel's new outdoor courtyard build is receiving all of the underground pipe and drainage work. The new ballroom build is almost ready to receive the concrete foundation pour. The new fitness centre is taking shape on the first floor of the tower building.

These exciting construction and expansion projects continue in areas that have no effect on guests. The hotel is committed to keep any such activity from distracting or interfering with accommodations, meeting rooms or other facilities to be used during guests' visits. They continue to work with construction teams to make certain that there is no interference to guests. The property still has a green screen wall along International Drive and the corner of Westwood Boulevard. The wall of screen is to protect any items from travelling out of the construction

area and it covers all the exciting work taking place behind the wall. The new outdoor courtyard build has received all of the underground pipe and drainage work. The new Majestic ballroom concrete foundation pour is taking place this week. The new and expanded fitness centre is taking shape on the first floor of the tower building. The trees have been removed from the front of the tower building to make way for the new covered walkways. The front entrance patio of the Ocean's Ballroom has been enclosed to start the new ballroom lobby enhancements. All of these exciting construction and expansion projects continue in areas that have no impact on guests. The hotel is committed to keeping any such activity from distracting or interfering with accommodations or other facilities to be used during guests' visits.
