Renovation Works

The property has a green screen wall along International Drive and the corner of Westwood Boulevard. The wall of screen is to protect any items from traveling out of the construction area and it covers all the exciting work taking place behind the wall. The new outdoor courtyard build has received all of the underground pipe and drainage work. The new Majestic ballroom concrete foundation pour is taking place.

The new and expanded fitness center is taking shape on the first floor of the tower building.
The trees have been removed from the front of the tower building to make way for the new covered walkways.

The front entrance patio of the Ocean's Ballroom has been enclosed to start the new ballroom lobby enhancements. - 290117
