Dear Miss Mountford

RE: Booking Reference OFL20007060

Thank you for choosing Norwegian Cruise Line. I wanted to let you know that we are here to do all we can to help you get you ready for your best vacation ever.

To assist with your pre-cruise preparation and planning, be sure to view your Welcome Aboard Booklet online at <http://www.ncl.co.uk/already-booked/> for valuable information about your cruise.

Cruise Reference 31716899

If you haven't done so already, we encourage you to create an account and log into My NCL where you can see your upcoming reservations. From here, follow the prompts to check in online, print your luggage tags and boarding documents, and make reservations for cruise activities such as specialty dining and Shore Excursions. Taking care of the details early gives you peace of mind and more time to enjoy yourself on board.

Already Checked In Online? Please enter your reservation details to view and print out your cruise tickets (eDocs). Please take time to double-check the details of your reservation. Then simply print out your cruise tickets and bring them with you ready for embarkation. Please print out the luggage tags included in your e-ticket, fill in your name and address and attach them to your luggage at the pier right before embarking. With this, your luggage can be delivered to your stateroom.

Should you need any further assistance please do not hesitate to contact us.

Kind Regards

Operations Team
