Booking Errata

The Marriott Suites on Sand Key will be starting full suite renovations, beginning June 13, 2016, with an estimated end date of November 27, 2016. The suites will be getting a fresh look, with brand new flooring, new showers, new bedding, furniture, etc. On top of the suite renovations, the deck around the pool will be removed, and replaced with a composite deck.

During these 6 months, the hotel will still be a full functioning hotel. The plan is to shut down the floor above, and the floor below the floor being worked on to alleviate guest interruptions, and continue operating as usual. The hotel is split in to two sides (side A, and side B). Construction will be taking place on one side at a time, to also alleviate noise disruptions as well.
