All of our Disney Area Executive Homes have a fully-fitted kitchen as standard. Kitchen facilities may include a conventional oven/hob, microwave, dishwasher, fridge/freezer, coffeemaker, toaster, crockery, cutlery and cooking utensils. Local supermarkets are easily accessible to purchase fresh ingredients, or dining out in Orlando is an attractive option due to the variety of eateries located here. Owners usually furnish homes to their own specifications therefore dining tables are unlikely to fully seat a large party.
