Future allotment to those actually produced by the Operator will be reviewed upon annual agreement.

**ALLOTMENT:**

When the allocated rooms have been used, the Operator may request additional inventory to sell. These will be sold on an availability basis at the specified rate. Please confirm all reservations in writing to include guest names prior to requests for additional rooms to be accepted.

**ROOM CATEGORY:**

The Operator's reservation request and voucher must indicate the room category reserved as per contract. If this information is not indicated, The Hotel will assign the best available room and invoice accordingly. Special requests, to include specific bedding, are given priority, but cannot be guaranteed.

**CONDITIONAL USE OF FIT RATES:**

The above contracted FIT rates are valid only when used with a wholesale or tour program for which a brochure (print or online) is produced. Use of these rates will be restricted to passengers on a bonafide package, and in the event that a brochure or tariff is not produced, the prevailing BAR rate will apply. These contracted rates are not to be sold to the consumer directly without the appropriate markup.

1. The Operator will make best efforts to ensure that all guest reservations with respect to unpackaged rooms (whether made by you or your Agents) are made at rates that are at least equal to the Best Available Rate for such hotel rooms at the time of sales to such hotel guest, and the operator will not knowingly permit reservations to be made that do not comply with this standard.
2. Within 24 hours of receiving notice from Park Shore Resort that you are responsible for guest reservations that do not comply with these terms and conditions, you will take corrective action to ensure that no further non-compliant reservations are made.
3. The Operator will not offer, nor permit affiliates to offer, rates for consumer reservations for unpackaged rooms through the internet, nor will you permit rates associated with unpackaged rooms to be disclosed on any internet site.
4. The Operator will ensure that program rates are not disclosed to the hotel guest or anyone else.
5. If the Operator makes program rates available to their Agents, the Operator will ensure compliance by both the Operator and such Agents with (a) all applicable laws; and (b) the terms and conditions of this contract.
6. The Operator will not advertise "lowest prices available" or make a similar claim with respect to Hotel's inventory.
7. The Operator agrees that the retention of program fees resulting from each paid guest stay will be the sole compensation to which the Operator is entitled on behalf of guest rooms sold.
8. The Operator agrees that Park Shore Resort may change contracted terms and conditions at any time with written notice, and may with or without cause, terminate the Operator's participation in the NET rate program along with the ability to make guest reservations using the contracted NET rates; provide however, that if termination is without cause Park Shore Resort will honor reservations made prior to termination date.
9. Park Shore Resort will bear the full risk of loss with respect to guest rooms. Consistent with the foregoing, the Operator will ensure that the refund policy is no more lenient than the refund policy of the Hotel on whose behalf you are making guest reservations. This will ensure that a situation will not occur in which a guest would qualify for a refund under Operator's policy but would not qualify for a refund under the Hotel's policy.
10. The Operator agrees that in making guest reservations for Park Shore Resort, and/or in making program rates available to Agents for making reservations on the Operator's behalf, the Operator will at all times act as an agent of the owner of Park Shore Resort.
